

17th Annual Independent Watchdog Committee Report to the Public FY2017-18

Measure B and Measure BB Sales Tax Activities

IN NOVEMBER 2000, ALAMEDA COUNTY VOTERS APPROVED MEASURE B, which extended the County's 1986 half-cent transportation sales tax to 2022 and set forth a 20-year Expenditure Plan to enhance the County's transportation system. 2000 Measure B also established a Citizens Watchdog Committee (CWC) to review all Measure B expenditures for compliance with the Expenditure Plan. In November 2014, Alameda County voters approved Measure BB, which increased the County's half-cent transportation sales tax to one full

cent, extended the tax through 2045 and set forth a 30-year Expenditure Plan for essential transportation improvements in every city throughout the County. 2014 Measure BB established an Independent Watchdog Committee (IWC) that reports its findings annually to the public to ensure appropriate use of sales tax funds and provides oversight by reviewing Measure B expenditures and Measure BB expenditures and performance measures. The IWC does not opine on other funds the Alameda CTC

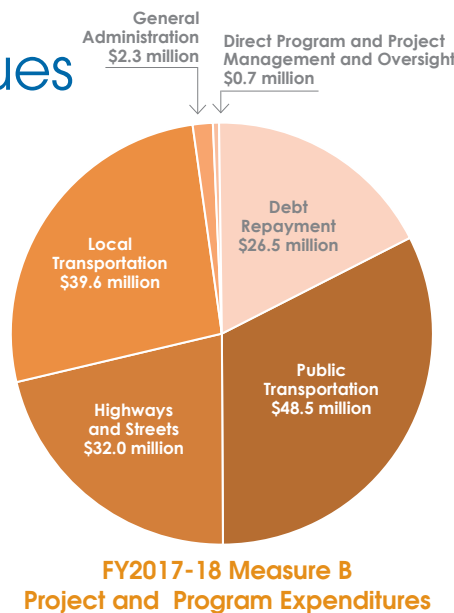

manages and/or programs. The IWC replaced and assumed responsibility for CWC activities in July 2015. This 17th annual report covers expenditures and IWC activities during the fiscal year ended June 30, 2018 (FY2017-18).

The full report is available at www.AlamedaCTC.org/IWC2019Report.

The IWC concludes that 2000 Measure B and 2014 Measure BB tax dollars were spent in accordance with the intent of the two measures during FY2017-18, except as noted on the last page of the full report. However, opportunities for improvement remain.
