

# East Bay Greenway Multimodal Project

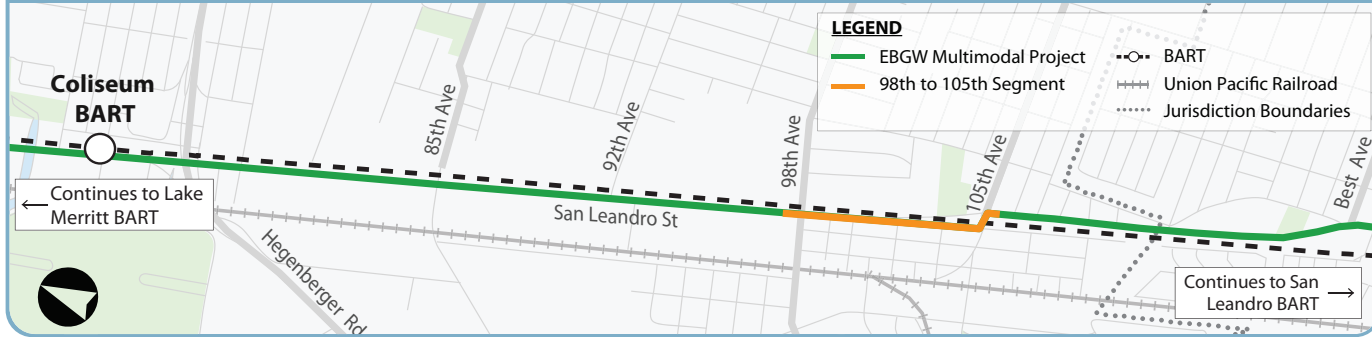

## 98th Ave to 105th Ave

Winter 2024

### Project Overview

The East Bay Greenway (EBGW) is a regional trail which would link BART stations between Oakland and Central Alameda County.

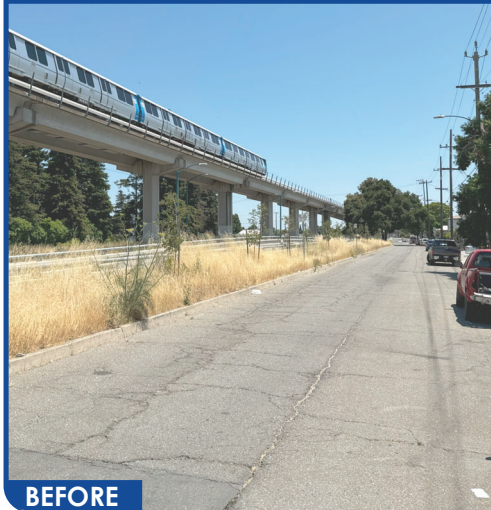

### Project Map

### 98th Ave to 105th Ave Improvements

- Multiuse trail and lighting improvements from 98th Ave. south along San Leandro St.
- Reconfiguring the southbound one-way road adjacent to the tunnel to a two-way slower and calmer street.
- Additional landscaping between the the two-way street and the tunnel.
- Transforming the northbound one-way road into a multiuse trail.
- Bicycle and pedestrian improvements at the San Leandro St. and 105th Ave. intersections on either side of the BART tracks.

### Proposed Improvements - on San Leandro St. from south of Stone St.
